**Instructor: Paul Adams, [padams@fhsu.edu](mailto:padams@fhsu.edu), [785-628-5344](tel:785-628-5344)**

**CREDIT WILL BE AWARDED IN SUMMER TERM**

Requirements:

1. Attend Saturday KATS KAMP
2. Produce a sheet of paper recording the sessions attended (attend at least 5 sessions). Beneath the title of each write two or more take aways for your teaching. This could be a teaching tip, new information, or possible resource(s) for your classroom.
3. Write a two-page paper, (1" Margin, double space, 12pt font) that goes into greater depth on the most relevant session you attended in your classrooms. In the paper identify what it was that you see had relevance for your teaching, how you foresee using the ideas/lesson/knowledge/resource in your teaching to support Three Dimensional Learning. Indicate what standards are supported with your implementation plan.

Electronically submit your work to:
